

### § 89.3

#### **§ 89.3 Applicability.**

(a) The part applies to collection of all claims due the United States under the Federal Claims Collection Act of 1966 as amended by the Debt Collection Act of 1982 and the Debt Collection Amendments of 1986 (Pub. L. 99-578), arising from activities under the jurisdiction of DOT including amounts due the United States from fees, overpayments, fines, civil penalties, loans, damages, interest, and other sources.

(b) This part does not apply to collection, settlement or compromise of debts owed the United States pursuant to authority other than Title 31, Chapter 37, Subchapter II: for example, application of this part to the enforcement of contracts under 46 U.S.C. 1117, delegated to the DOT Maritime Administration, is not required.

(c) Section 89.23 (interest, late payment penalties, and collection charges) and § 89.25 (collection by administrative offset) of this part do not apply to debts which other United States government agencies or state governments or units of general local government owe the Department (see 31 U.S.C. 3701(c)); however, other statutory or common law may provide legal authority. Neither does the proposed rule apply to recovery of debts owed by current or former employees of the United States governed by 5 U.S.C. 5514.

(d) Claims arising out of contracts that contain specific provisions relating to claims are governed by those specific provisions to the extent that those provisions comply with existing law and with 4 CFR chapter II.

(e) As used in this part, the terms debt and claims are interchangeable and have the meaning defined in 4 CFR 101.2(a). A debtor's liability arising out of a particular incident or adjudication exclusive of interest, administrative costs, and late payment penalties, is a single claim.

(f) Except as provided in paragraphs (b), (c) and (d) of this section the provisions of this part shall apply to the collection of all debts and claims owed to any DOT operating element. A claim arising from the assessment of civil penalty or fine is not subject to the procedures of this subpart until the claim has been reduced to a liquidated debt by a signed settlement agreement,

a court order or judgment, or a final administrative determination.

#### **§ 89.5 Delegations of authority.**

The functions, powers, and duties of the Secretary of Transportation to attempt collection of claims, to compromise claims of the United States not exceeding \$100,000 (excluding interest) and to suspend and terminate action to collect such claims are delegated to:

(a) The Assistant Secretary for Administration with respect to claims arising out of the activities of, or referred to, the Office of the Secretary; and

(b) The heads of other DOT operating elements with respect to claims arising out of the activities of, or referred to, their organizations.

[53 FR 51238, Dec. 21, 1988, as amended at 58 FR 6898, Feb. 3, 1993]

#### **§ 89.7 Exceptions to delegated authority.**

The authority delegated under § 89.5 does not apply to any claim:

(a) As to which there is an indication of (1) fraud; (2) the presentation of a false claim; or (3) misrepresentation on the part of the debtor or any other party having an interest in the claim;

(b) Based on tax statutes; or

(c) Arising from an exception made by the General Accounting Office in the account of an accountable officer.

#### **§ 89.9 Redelegation.**

Each officer to whom authority is delegated under § 89.5 may redelegate and authorize successive redelegations of the authority within the organization under his or her jurisdiction.

#### **§ 89.11 Standards for exercise of delegated authority.**

The authority delegated under § 89.5 shall be exercised in accordance with the standards for the collection and compromise of claims and for the suspension and termination of action to collect claims promulgated by the United States General Accounting Office and the United States Department of Justice, and published at 4 CFR chapter II, as those standards may be amended.
